Good Evening Ms. Bone and Ms. Pranata,

I did suggest you report bullying and general harassment allegations under Bulletin 5798.0 and I provided you the form based on the most recent incidents you called me about.

However, I noticed in your submission, that besides the most recent alleged incidents, the allegations (including allegations in item 6 of the complaint form) are in scope for my investigation which will be completed early next week. Since those allegations are already being investigated, they would not be in scope for Ms. Pranata to investigate.

Ms. Pranata and I can review the specifics to ensure there is no overlap in investigation scope.

Thank you,

Melissa A. Espinoza, SPHR

Subject: Workplace Violence Complaint against Ms L Persons

Greetings,

Ms Espinoza suggested that I file my complaint against Ms Persons, my principal. I filed a complaint last semester but got no resolution. Dr Sample told me that if the retailation continues, that I should file again. Things have gotten progressively worse. Please let me know what the next steps are.

Ω
