Subject: Winter Concert Harassment

Hi Ms Sanford,

Carmen, Cassie and Ms Ali's friend is running sound for the Winter Concert. The G5 musicians complained after the first show this morning, that Ms Ali and Carmen were talking bad about them and telling them not to count nor do the things they practiced. I
know why Ms Jackson didn't tell them to be quiet while her students were working....

Ms Ali still isn't coordinating. Several instruments were broken after she cussed me out. She took instruments that weren't being used, instead of letting the G5 class pick up the instruments. She also finds it so necessary to walk very close to me, while
I'm standing and talking to anyone.

Evidently, Ms Ali has apologized to the guys for cussing at me in front of them, but has yet to say anything to me...which is fine by me. I don't need a fake apology from someone who's jealous of me.

This is more intimidation and harassment because they can't beat me and I won't let them join me.

Musically yours,

Ω
