Subject Fw: Music Magnet Visit

Hi everyone,

I don't know when Ms Ali gave the Music Magnet teachers a packet for Ms London's visit on Friday. I did not receive a packet. This is continued isolation and harassment from Ms Persons and Ms Ali.

I've asked several times last year for us to have magnet planning meetings and was told that we don't need to have them, but now Magnet teachers are rushing to throw up music worksheets that have nothing to do with Lift Every Voice and Sing for MLK Day and Black History Month.

Often times, I'm left out of timely communication. I've complained about this several times and have been dismissed with laughter, gas lighting and being cussed out. I asked Ms Ali if she wanted to coordinate now, in preparation for our Winter Concert, and she told me, "Don't fuck with me!" in front of Coach Jordan and confirmed it to Ms Jackson.

This toxic environment is against District policy and little is being done to end the harassment. Many days, I have to go home during the school day because my stomach is so upset.

Although I haven't cussed out anyone, haven't lied on anyone and haven't done anything to anyone, I'm being threatened with disciplinary actions because people refuse to do their jobs and I'm here to witness, and report, the abuse on the Hillcrest campus.

Subject: Music Magnet Visit

I was just informed that our Friday visit from the magnet office will still take place as scheduled on Friday, January 17, between 9:00 and 10:00. Please refer to the Magnet Classroom Look-Fors Handout I placed in your packets and attached to this email.
Mrs. Persons and I will be visiting your classrooms tomorrow to make sure there is evidence in your classroom environment as well as activities and projects you have around our monthly theme of Jazz. If you cannot find your packet or need any assistance with your room environment, please let me know so I can schedule some time to help you.

Thank you,
