Hi Ms Espinoza,

Thank you for the reports.

I told you several times that my complaint was not against Ms Craig. She has no power to do anything to me.

It's clear that I will have to go to the EEOC for justice because you didn't interview any of the students, Joyce and Deamonte, Ms Craig's former student. I have included a text message from Ms Craig that Deamonte was sent to my room before Nico threatened me, but your report says that no one was there.

The same curtains are in Ms Craig's classroom and are not cost prohibitive.

You also didn't take into account that Nico's lies were retaliation against me for the emailed list of duties that he didn't want to do. (see below)

The good thing is that this internal investigation has me ready for the EEOC.

Musically yours,

Ω

Subject: Moving Forward

Hi Nico,

Ms Persons believes that we can work this out and requested that I give you a written list of responsibilities because you said that you don't understand. We should talk tomorrow morning to figure things out.

The following items are necessary for us to work well together:

In general,

1. If I give a directive to my students, it is not for you to disregard nor change my directions.
2. When there are students in class, you are to assist them WITHOUT doing their work. You are walking around: looking over the students shoulders, or looking at their fingers/hands/posture when you are assisting.
3. When I'm out, you are not to call the classroom teachers telling them to come to my room.
4. You need to turn in your key to Ms Walker. Most other TAs have been here for several years longer than you and don't have keys to anything. You arrive after me and leave before me, so you don't need a key.
5. When you are late or absent, you must call/text by 7 am.
6. If you have to miss class(es), you must send an email to me one week prior to the absence.
7. You need to dress professionally: shoulders to knees must be covered. Concert attire is formal and all black.
8. You need to eat fragrant foods outside of the music classroom. The staff lounge has a microwave. Please remove your microwave by Friday 19.August.2024.
9. Your phone should be put away except when at lunch. Texting and talking on the phone while class is in session must stop.
10. Use your LAUSD email for correspondences by 9.August.2024 instead of using this personal email address for school business.

Daily

1. You need to document your start and end times on the agenda.
2. You need to log the work accomplished every day.
3. Lunch is 30 minutes at 11:30 Tuesday - Friday, and 10:30 on Monday. This needs to be documented in the agenda as well.

Weekly

1. Friday meeting with me at 1 to check in with Projects and agenda
2. 5 pieces of content published for Social Media posted
    a. 1 full length video for YouTube (Friday)
    b. 3 short videos advertising the YouTube video, published to YouTube Shorts, Instagram and TikTok. These videos are 30 second clips from the YouTube video. (Monday, Wednesday and Friday)
    c. 2 pictures from the YouTube video published to Instagram and Pinterest with captions advertising the YouTube Video (Tuesday and Thursday)

Projects

1. Inventory must be completed by Friday, 19.April.2024 (extended deadline)
2. The entire script must be read by Friday 19, April.2024 (extended deadline) https://docs.google.com/document/d/1Ay0fAYU4lViGS3MYScK-zMwQGhRzyID_VNTm7FF2UzM/edit?usp=sharing
3. The Wiz movie must be seen by Friday 19, 2024 (extended deadline) https://archive.org/details/the-wiz
4. Social Media development (5 pieces of published content every week)
5. All songs must be downloaded by Friday 19.April.2024 (We will start editing the songs on due date.)
6. All instrumental songs must be edited by Monday 29.April.2024
7. All live songs should be recorded by Friday 3.May.2024
8. The script dialog should be recorded by Friday 10.May.2024
9. Written lesson plan for a 20 minute sample lesson delivering 3 DJ skills to me by Monday 29.2024. This task is optional, but required if you want to teach DJ to the students while I assist.
    a. Skill 1 (5 mins)
    b. Skill 2 (5 mins)
    c. Skill 3 (5 mins)
    d. exit ticket and clean up

Hopefully, we can discuss these things tomorrow at 8 am and come to an understanding before the students arrive at 8:30.

See you tomorrow,

Ω
